

Mary Berg, BS, RVT, RLATG, VTS (Dentistry)

Mary received her B.S. in Biology/Microbiology from South Dakota State University, A.S. in Laboratory Animal Science and A.S. in Veterinary Technology from St. Petersburg College. She is a Charter member of the Academy of Veterinary Dental Technicians and received her VTS in Dentistry in June 2006. She serves as the NAVTA Past President, the treasurer of the AVDT and president of the KVTA. She continues to work in research, specializing in products aimed at improving oral health of companion animals. She was the practice manager and dental technician specialist at general practice, teaches at a veterinary technology program and is currently the president of Beyond the Crown Veterinary Education, a veterinary dental consulting service. Mary serves the profession by serving on the AVMA CVTEA and AAVSB VTNE, and several F4VD committees. She is a member of the AVTE, AALAS, AAHA and Vet Partners. Mary has published several articles in various professional publications, and is a speaker and lab instructor at international, national, and state Conferences. Mary is a 4-H volunteer and is active in her community. Mary and her husband, Doug, have two sons and two grandchildren and live on a small farm near Lawrence, KS.
