

Megan Brashear, CVT, VTS (ECC)

Megan Brashear, BS, RVT, VTS (ECC) graduated in 2000 with a BS in in Veterinary Technology. She has enjoyed working in emergency and critical care since 2000 and is the Small Animal Veterinary Nursing Manager at the Purdue University Veterinary Teaching Hospital in West Lafayette, Indiana. Here, Megan truly enjoys the opportunity to work with technician supervisors as well as teach and train technicians and students on the hospital floor. She loves the opportunity to travel and lecture sharing her knowledge with veterinary technicians and nurses around the world.
